Mentor Agreement

Your role, and what each session covers, are described on freshmxn.com. This document covers only the obligations that bind us.

Dated _____, between **Freshmxn Education India Private Limited**, CIN U85500DL2025PTC453582, of 3477, Sarwan Building, Nicholson Road, Chandni Chowk, Delhi 110006 (the "Company"), and the person signing below (the "Mentor").

1. Status

1. The Mentor is an independent professional, not an employee, partner or agent of the Company. Nothing here creates employment, and the Mentor has no authority to bind the Company or hold themselves out as speaking for it beyond describing their role as a mentor.
2. The Mentor is responsible for their own taxes. Where total payments in a financial year cross the threshold at which the Company must deduct tax at source, the Mentor shall provide their PAN; without it, tax is deducted at the higher rate the law prescribes.
3. The Mentor confirms that mentoring here does not breach any employment contract, non-compete or professional rule binding on them, and that they have any employer permission they need.

2. Safeguarding

The most important clause in this agreement. Mentees may be as young as 14.

> **These rules are absolute**
>
> Conduct every session on the Company's platform. Never move a mentee to personal WhatsApp, email, Instagram or any private channel.
>
> Never meet a mentee in person without the Company's prior written approval.
>
> Never ask for a mentee's home address, photographs, financial details or social media handles.
>
> Report anything that concerns you — a disclosure, a worrying remark, conduct by anyone — to the Company the same day.

1. The Mentor shall behave professionally at all times: no discriminatory, sexual, demeaning or intimidating language or conduct, and no comment on a mentee's appearance, religion, caste, gender, sexuality or family circumstances.
2. The Company may suspend the Mentor immediately, without notice and pending enquiry, on any safeguarding concern. Suspension is a precaution, not a finding of wrongdoing.

3. What mentoring is not

1. The Mentor gives career insight from their own professional experience. They shall not present mentoring as counselling, therapy, psychological assessment, or medical, legal or financial advice, and shall not interpret a mentee's assessment scores as a clinical matter.
2. If a mentee shows significant distress, or discloses self-harm, abuse or a mental-health crisis, the Mentor shall not attempt to treat or counsel. They shall respond with care, end the career discussion, and alert the Company immediately so it can direct the mentee to proper support.

4. No guarantees, no inducements

1. The Mentor shall not promise or imply a job, internship, referral, admission, salary figure or any other outcome, at their own organisation or anywhere else.
2. The Mentor shall not accept any payment, gift or favour from a mentee or their family, in any form.
3. The Mentor shall not solicit a mentee for their own business, course, coaching or employment, nor refer them to a paid service in which the Mentor has an interest without disclosing it to the Company first.
4. The Mentor shall not take a mentee off-platform to continue the relationship commercially, during the term or for twelve months after it ends.

5. Mentee information and confidentiality

1. The Mentor may access a mentee's profile, assessment summary and stated goals solely to prepare for and conduct the session. They shall not download, copy, screenshot, store or forward that information, and shall delete any notes once the engagement ends.
2. The Mentor shall not disclose anything a mentee says to anyone outside the Company, except where safeguarding requires it under clause 2 or the law compels it, and shall tell the Company within 24 hours of any suspected leak.
3. The Company's assessment framework, scoring logic, mentee data, mentor network, pricing and roadmap are confidential. This survives three years after the engagement ends.

6. Credentials and identity

1. The Mentor confirms that the professional history, qualifications and current role given to the Company through its website are true and complete, and shall update them promptly if they change.
2. The Mentor confirms they are subject to no conviction, disciplinary finding, debarment or pending proceeding that would make them unsuitable to work with students, including minors, and consents to the Company verifying their identity and professional standing.

7. Intellectual property

1. Rights in any material the Mentor prepares for the Company vest in the Company. The Mentor retains their own pre-existing materials and general professional know-how.
2. The Company may use the Mentor's name, photograph, designation and professional summary on its platform and marketing. The Mentor may withdraw this by written notice, after which the Company shall stop further use within fifteen days.

8. Fees

Paid per session, once the mentee's feedback comes in. Your tier and where you are based set the amount.

Tier	How you get there	In India	Abroad
1	Approved	₹1,000	₹1,500 ($15)

Tier	How you get there	In India	Abroad
2	Automatic: 7 sessions averaging 8/10+, and the check of your profession's data	₹1,300	₹1,900 ($19)
3	10+ sessions averaging 8/10+, a skills roadmap and a data review	₹1,500+	₹2,200+ ($22+)

1. After the first session the Company confirms the Mentor stays on the platform. The first follow-up is included in the session fee; a later follow-up is paid at 30% of the Mentor's rate.
2. Fees are paid within [15] days of the end of each calendar month. A session cancelled by the mentee with less than [24] hours' notice counts as completed; a session the Mentor misses without notice is not payable.
3. Rates on the Company's website apply as published and may be revised with reasonable notice.

9. Term and termination

1. Either party may end this Agreement at any time on seven days' written notice, without giving a reason. Sessions already booked shall be honoured or reassigned by agreement.
2. The Company may end it immediately for a breach of clause 2, 4, 5 or 6.
3. On termination the Mentor shall cease all contact with mentees met through the platform, delete all mentee information, and stop describing themselves as a Freshmxn's Lab mentor. Clauses 4.4, 5 and 10 survive.

10. General

1. The Mentor shall indemnify the Company against loss arising from their breach of clause 2, 4, 5 or 6, or from their wilful misconduct. The Company's liability to the Mentor is limited to fees for sessions actually completed.
2. This Agreement, with the role description published on freshmxn.com, is the entire agreement between the parties. Amendments must be written and signed by both. If any provision fails, the rest stands.
3. The Mentor may not assign this Agreement or send a substitute to a session.
4. Indian law governs this Agreement; the courts at Delhi have exclusive jurisdiction. The parties shall try in good faith to resolve any dispute between themselves first.

Acceptance

I have read this Agreement. I understand in particular that all contact with mentees stays on the platform, that I must never promise a job or referral or accept anything from a mentee or their family, and that I must escalate any disclosure of distress, self-harm or abuse to Freshmxn's Lab rather than handle it myself. I accept these terms.
